Product Name	Linear Outdoor Wall Light — Black LED Wall Sconce, 100–200 cm, IP65
Style	Modern minimalist
Power Supply	Hardwired · AC 220–240V, 50Hz

An ultra-slim black LED bar that lays a soft band of light along your facade, almost invisible by day and quietly striking after dark.

Five lengths from 100 to 200 cm, in warm white, cool white, three-colour or dimmable, with CRI 90 light that keeps stone and timber looking natural.

Rated IP65 for outdoor walls and wired to mains by a licensed electrician. Fix the base, connect, then clip on the body.
