Product Name	Black Ceiling Fan with Light — Starburst LED, 6-Speed with Remote
Style	Modern
Power Supply	Hardwired · AC 220–240V, 50Hz

A starburst-inspired ceiling fan light in matte black, with slim radiating LED arms around a central disc and the fan blades concealed above the light body.

Six quiet speeds and a winter reverse mode keep air moving all year, while the LED switches between 3000K, 4500K and 6000K colour temperatures.

Available in 85 cm and 100 cm diameters, both 35 cm high, hardwired to AC 220–240V and supplied with a remote control and mounting hardware.

Basic Product Information

Product Code	AVD-SBCF
Product Type	Ceiling Fans with Lights
Power Supply	Hardwired · AC 220–240V, 50Hz
Product Colour	Black

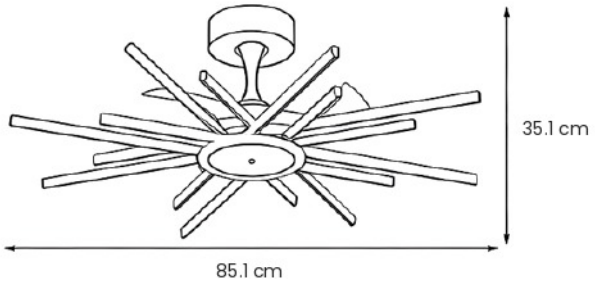

Product Details

Material	Acrylic

Core Specifications
