Product Name	Bollard Light — L-Shaped Modern Path Light
Style	Modern minimalist
Power Supply	Solar powered (3W), or hardwired · AC 220–240V, 50Hz (20W)

An L-shaped bollard light in black die-cast aluminium with an overhanging head that throws warm light down onto paths and lawns.

Warm white 3000K, CRI 90 and IP65 rated. Choose solar with automatic charging, or hardwired mains installed by a licensed electrician.

Three heights of 30, 50 and 70 cm suit garden beds, paths, boardwalks and driveways, from small courtyards to larger landscapes.

Basic Product Information

Product Code	AVD-LSBL
Product Type	Bollard Light
Power Supply	Solar / Hardwired
Product Colour	Black

Product Details

Material	Aluminium + glass

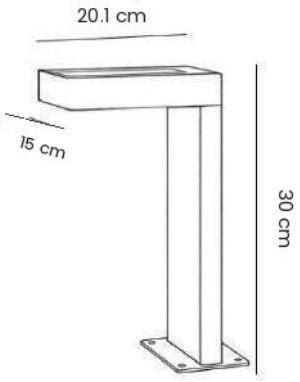

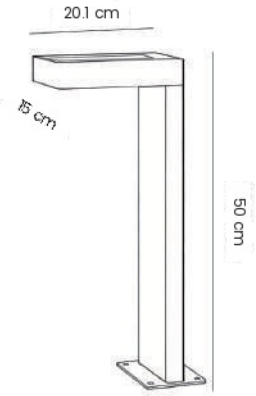

Core Specifications

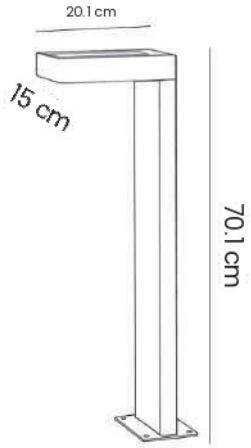

Width	15 cm
Depth	20.1 cm
Height	30 cm

Width	15 cm
Height	50 cm
Depth	20.1 cm

Width	15 cm
Depth	20.1 cm
Height	70.1 cm

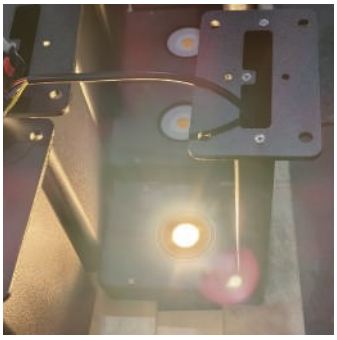

Voltage	AC 220–240V (hardwired)
Light Source Type	Integrated LED
Light Source Included	Yes
Colour Temperature	3000K
Dimmable	No
CRI	90
IP Rating	IP65

Quality Check & Installation
