

Product Name CementoLight | Minimalist Square LED Pillar Lantern

Style Modern / Open frame

Power Supply Hardwired or Solar

An open stainless steel frame with an acrylic panel set inside it, so the lantern reads as a light box with air around it rather than a solid block on the post.

Three square sizes to match different post widths, in solar or hardwired, at 3000K warm white.

Rated IP54, which suits sheltered and semi-outdoor positions — verandah posts, entry walls, courtyard piers.

Specifications & Quality Documentation

Dimensions, materials, electrical detail and installation requirements for this fixture.

● Basic Product Information

Product Type	Pillar lantern
Power Supply	Hardwired or Solar
Mounting	Post cap, pillar or flat surface
Colour Temperature	3000K warm white
Finish	Black
Sold As	Single, or sets from 2 up to 30

● Materials & Construction

Frame	Stainless steel, open construction
Shade	Acrylic
Ingress Protection	IP54 – splashing water, semi-outdoor
Use	Outdoor – sheltered and semi-exposed positions

● Sizes

Size (in)	Size (mm)	Power
9.8 x 9.8 x 10.6	249 x 249 x 269	6 W hardwired / 4 W solar
11.8 x 11.8 x 12.6	300 x 300 x 320	8 W hardwired / 4 W solar
15.7 x 15.7 x 16.5	399 x 399 x 419	10 W hardwired / 4 W solar

Width and depth are the base footprint – measure your post top against this figure before ordering. IP54 is a lower rating than IP65: keep it out of fully exposed, driving-rain positions. Metric values are converted from the manufacturer's inch measurements.

● Electrical & Light Source

Supply	Hardwired to mains, or solar
Operating Voltage	220–240V AC, 50Hz (hardwired version)
Power	6 W / 8 W / 10 W hardwired by size, 4 W solar
Light Source	Integrated LED
Colour Temperature	Warm White, 3000K
Light Source Included	Yes – integrated, not replaceable
Dimmable	No

● Installation

Method	Surface-mounted to a flat post cap, pillar or wall top
Wiring (Australia)	Brown – Active Blue – Neutral Green/Yellow – Earth
Installer	Solar version needs no electrician. Hardwired version must be installed by a licensed electrician in Australia
Position	IP54 – suits sheltered and semi-outdoor positions, not fully exposed driving rain
Suits	Verandah posts, entry piers, courtyard walls, poolside decks

● In the Box

Pillar lantern x 1 (or per set quantity) · Mounting base · Fixing screw pack · Instruction sheet.
