

Product Name CrystalAura | Modern LED Wall Sconce with Dimming

Style Glamour / Crystal

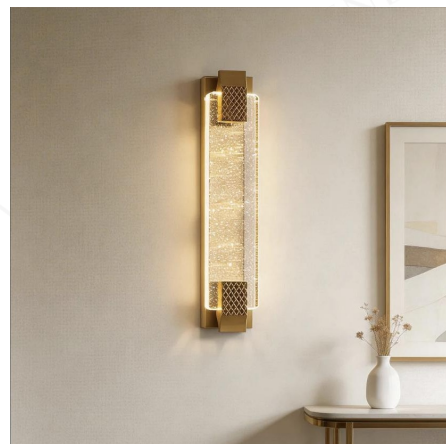

Power Supply Hardwired

A tall crystal panel set in a stainless steel frame, the crystal cast with bubbles trapped inside it so the lit panel scatters points of light across the wall.

Four heights from about 400 mm to 1000 mm, in gold or black, singly or in sets up to ten for a corridor run.

A 12 W integrated LED with three-step colour switching — 3000K, 4500K and 6000K — from the wall switch.

Specifications & Quality Documentation

Dimensions, materials, electrical detail and installation requirements for this fixture.

● Basic Product Information
