Product Name	Floating Pool Light — Solar RGB Colour-Changing Orb with Remote, IP67
Style	Modern
Power Supply	Solar powered — no mains wiring

A solar floating light that drifts on your pool, pond or water feature, glowing in 16 colours with 4 automatic colour-changing modes.

A remote control sets colour, mode and 8 brightness levels. The 5V solar panel charges in about 12 hours of sun for up to 12 hours of light.

The ABS body and PE shade are sealed to IP67 for long-term use on water. Choose a 24.9 cm or 32 cm disc.

Basic Product Information

Product Code	AVD-FPRL
Product Type	Floating Pool Light
Power Supply	Solar
Product Colour	White

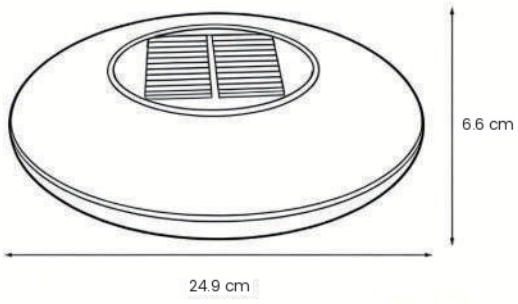

Product Details

Material	ABS body, PE shade

Core Specifications

Diameter	24.9 cm
Height	6.6 cm
Weight	approx. 0.53 kg
