Product Name	Four-Post Bollard Light — Black Aluminium Path Light
Style	Modern
Power Supply	Solar powered — no mains wiring | Hardwired · AC 220–240V, 50Hz

A modern four-post bollard in black die-cast aluminium with an acrylic diffuser, made to light walkways, courtyards and entrances with a soft glow.

Three heights (20, 40 or 60 cm) in solar or hardwired versions. 3000K warm white light, 490 lumens, IP65 weather rating.

The solar version needs no wiring and switches on at dusk. The hardwired version is installed by a licensed electrician. Remote included.
