Product Name	Hampton Solar Candle Lantern — Portable Garden Light
Style	Industrial, modern
Power Supply	Solar powered — no mains wiring

A classic black solar lantern with a flameless LED candle, glowing warm white on tables, steps and garden paths.

Amorphous silicon solar panel charges in about 4–6 hours for 5–6 hours of light, switching on automatically at dusk.

Top handle for carrying or hanging, IP54 weather protection, in acrylic, glass and plastic.
