Product Name	Linear Garden Light — Slim LED Outdoor Floor Lamp
Style	Modern minimalist
Power Supply	Hardwired · AC 220–240V, 50Hz

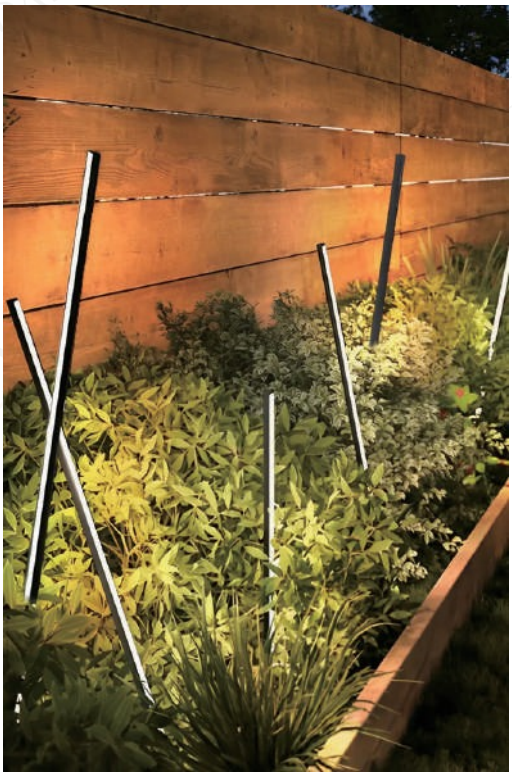

A slim black linear light that stands like a sculpture in the garden by day and glows as a soft line of warm light at night.

Four heights from 74.9 to 134.9 cm, in stainless steel and aluminium with an acrylic diffuser over an integrated LED strip.

Warm white (3000K), CRI 90 and IP65 rated. Hardwired by a licensed electrician for paths, terraces and courtyards.
