

**Product Name** Luminara | Elegant Retro Glass Globe Outdoor Pillar Light

**Style** Traditional / Retro

**Power Supply** Hardwired

A cast aluminium pillar lantern with a clear glass globe shade, built for gate posts, driveway pillars and garden walls.

Three sizes and two finishes, black and bronze. Takes a standard E27 lamp, so the brightness and colour of the light are yours to choose.

Rust-resistant aluminium alloy with an IP54 rating for sheltered outdoor positions.

## Specifications & Quality Documentation

Dimensions, materials, electrical detail and installation requirements for this fixture.

## ● Basic Product Information

|              |                                      |

| Product Type | Outdoor pillar / pier light          |
| Power Supply | Hardwired                            |
| Mounting     | Flat pillar, pier cap or wall top    |
| Finishes     | Black, Bronze                        |
| Sold As      | Single, or sets of 2, 4, 6, 8 and 10 |

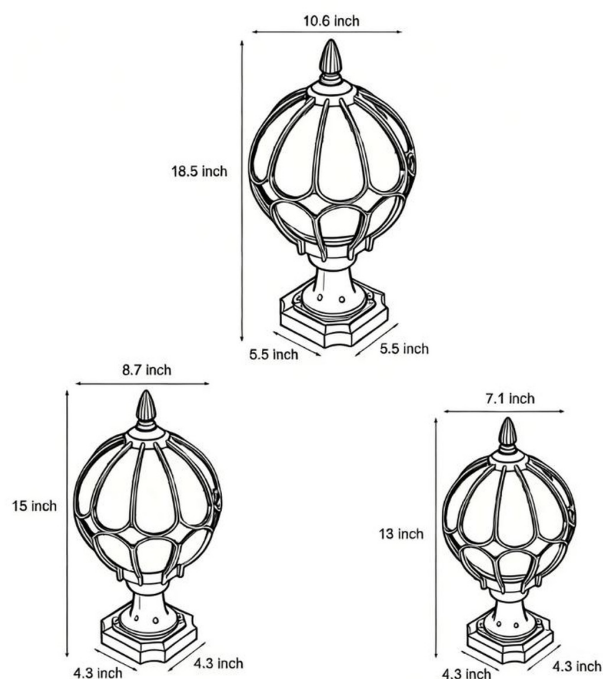

## ● Materials & Construction

|                    |                                    |
|--------------------|------------------------------------|
| Body               | Rust-resistant aluminium alloy     |
| Shade              | Clear glass                        |
| Ingress Protection | IP54 – sheltered outdoor positions |
| Finish             | Powder-coated, retro tone          |

## ● Sizes & Dimensions

| Size   | Width            | Height           | Base (square)   |
|--------|------------------|------------------|-----------------|
| Small  | 7.1 in / 180 mm  | 13 in / 330 mm   | 4.3 in / 109 mm |
| Medium | 8.7 in / 221 mm  | 15 in / 381 mm   | 4.3 in / 109 mm |
| Large  | 10.6 in / 269 mm | 18.5 in / 470 mm | 5.5 in / 140 mm |

Width is the widest point of the glass globe. Base is the square footprint of the mounting plate - measure your pillar top against this figure before ordering.

## ● Electrical & Lamp

|                    |                                               |
|--------------------|-----------------------------------------------|
| Supply             | Hardwired to mains                            |
| Operating Voltage  | 220–240V AC, 50Hz                             |
| Lamp Base          | E27 screw                                     |
| Lamp Included      | No                                            |
| Wattage            | Determined by the lamp you fit                |
| Colour Temperature | Determined by the lamp you fit                |
| Dimmable           | Only if a dimmable lamp and dimmer are fitted |

## ● Installation

|                    |                                                                                     |
|--------------------|-------------------------------------------------------------------------------------|
| Method             | Surface-mounted to a flat pillar cap or wall top, fixed through the base plate      |
| Wiring (Australia) | Brown – Active   Blue – Neutral   Green/Yellow – Earth                              |
| Installer          | Must be installed by a licensed electrician in Australia                            |
