

Product Name Luminara | Retro Outdoor Pillar Light, Waterproof

Style Retro / Traditional

Power Supply Hardwired

A traditional post-cap lantern in die-cast aluminium with high-temperature baked paint, glazed with frosted glass so the light comes out soft rather than glaring.

Three grid patterns — windowpane, rectangular and square — in bronze or black, to match a fence, a gate or a villa entrance.

A thickened cast base keeps it steady against wind, and IP55 protection handles rain and dust.

Specifications & Quality Documentation

Dimensions, materials, electrical detail and installation requirements for this fixture.

● Basic Product Information

Product Type	Pillar light
Power Supply	Hardwired
Mounting	Post cap or pillar
Grid Styles	Windowpane · Rectangular · Square
