

Product Name Luminara | Solar Bug Zapper Garden Lamp

Style Functional / Garden

Power Supply Solar, rechargeable battery

A 304 stainless steel garden lamp that combines soft white light with ultraviolet blue light to draw and trap mosquitoes.

Five mounting styles — portable, ground insert, lawn, wall and post — in silver or black.

A 2200 mAh battery with both solar and USB charging. Physical trapping, so no chemicals and no noise.

Specifications & Quality Documentation

Dimensions, materials, electrical detail and installation requirements for this fixture.
