

Product Name Luminara | Waterproof Solar Step Lighting

Style Modern / Functional

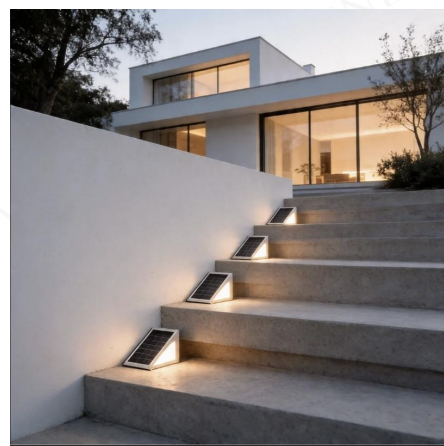

Power Supply Solar, rechargeable battery

A wedge-shaped solar step light in PC and ABS, washing light down across the tread so the edge of each step reads clearly after dark.

Two dual LEDs at 0.6 W each, in warm white or white. An 800 mAh battery gives 6–9 hours from 5–6 hours of sun.

Rated IP65 against rain, and it fixes either with adhesive or screws depending on the surface.

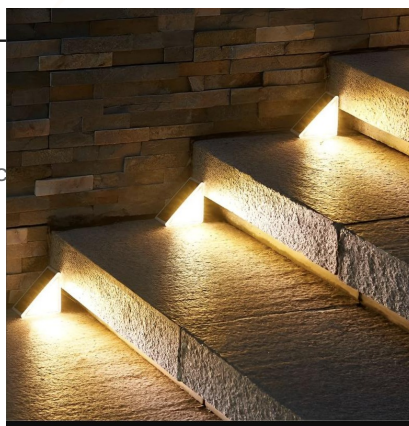

Specifications & Quality Documentation

Dimensions, materials, electrical detail and installation requirements for this fixture.

● Basic Product Information

Product Type	Step and deck light
Power Supply	Solar – no wiring
Mounting	Adhesive or screw-fixed to the step face
Colour Options	Warm white or white
Finish	Gray
Sold As	Packs of 2, 4, 8, 12, 16, 20, 30 or 50

● Materials & Construction

Body	PC – polycarbonate
Shade	ABS
Ingress Protection	IP65 – rain and snow resistant
Use	Outdoor – stairs, decks, garden paths

● Performance

Measurement	Value
Power	0.6 W x 2
Output	96 lumens
Battery	800 mAh
Charge time	5–6 hours of sunlight
Run time	6–9 hours

Exact physical dimensions are not currently published. Email hello@avendae.com if the footprint matters for your step depth.

● Electrical & Light Source

Supply	Solar – no mains connection
Battery Capacity	800 mAh
Power	0.6 W x 2 LEDs
Output	96 lumens
Charge Time	5–6 hours of direct sun
Run Time	6–9 hours per charge
Colour Temperature	Warm white or white, chosen at order

● Installation

Method	Wireless – adhesive mount, or screw-fixed to the step face
Electrician	Not required. This product does not connect to mains
