

Product Name LuminaraStone | Dual-Power Outdoor Pillar Light

Style Traditional lantern

Power Supply Hardwired or Solar

A classic square lantern in aluminium alloy with high-transparency glass, for fence posts, door pillars and landscape columns.

Switch between solar mode and a standard E27 globe, so the same fitting works whether or not there is power at the post.

Rated IP65 against rain, snow and temperature swings, with around 12 hours of run time in solar mode.

Specifications & Quality Documentation

Dimensions, materials, electrical detail and installation requirements for this fixture.

● Basic Product Information

Product Type	Pillar light
Power Supply	Hardwired or Solar
Mounting	Ground, post or pillar cap
Control	Remote control switch or wall switch
