

Product Name Lunaris | Sleek Modern LED Cylindrical Bollard Light

Style Modern / Minimal

Power Supply Hardwired

A plain cylindrical bollard in die-cast aluminium with a PC diffuser running down one face, washing the path beside it rather than glaring back at anyone walking towards it.

Six heights, from a low path bollard at about 790 mm to a full column at around 3.5 metres for driveways and forecourts.

Rust and corrosion resistant, rated IP65, at 3000K warm white.
