

Product Name MarbleResonance | Minimalist
LED Wall Sconce, Copper Accents

Style Minimalist / Luxe

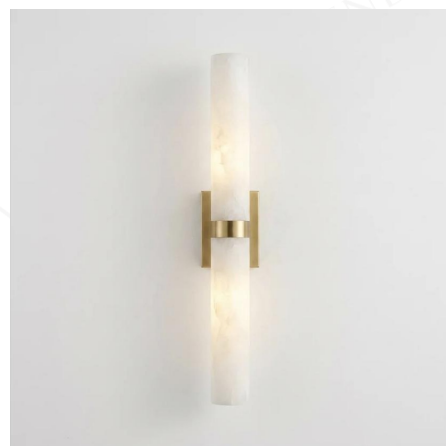

Power Supply Hardwired

A slim vertical tube in resin with a marble figuring running through it, clasped at the middle by a copper-toned iron bracket. Lit from inside, the veining reads as depth rather than pattern.

Two heights and two bracket finishes — gold or black — at 400 mm and 500 mm.

Warm white integrated LED, sized for a small room: it covers roughly 3 to 5 square metres.

Specifications & Quality Documentation

Dimensions, materials, electrical detail and installation requirements for this fixture.

● Basic Product Information

Product Type	Wall sconce
Power Supply	Hardwired
Mounting	Wall-mounted, vertical
Coverage	Approximately 3–5 m ²
Bracket Finishes	Gold or Black
Heights	400 mm or 500 mm

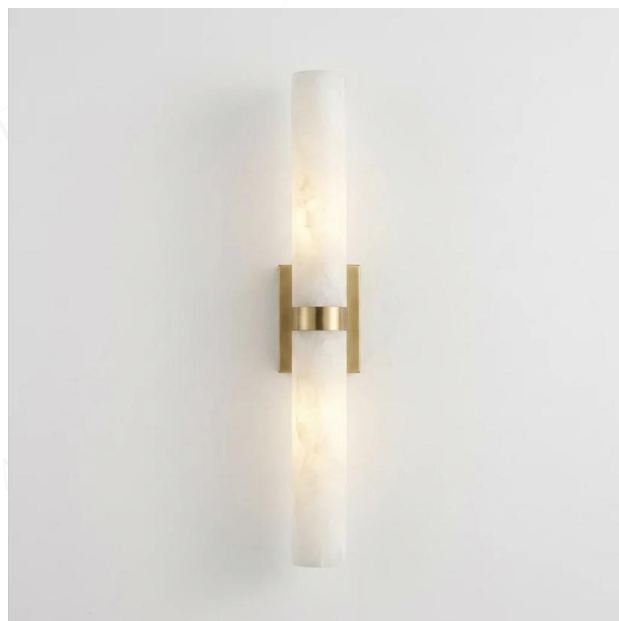

● Materials & Construction

Shade	Resin, marble effect
Bracket	Iron, copper-toned finish
Light Source	Integrated LED, lit from within the tube
Use	Indoor only

● Sizes

Height (mm)	Height (in)	Bracket
400	15.75	Gold or Black
500	19.69	Gold or Black

This is an accent fixture rather than a room's main light — it covers about 3 to 5 square metres. Pair or group it if the wall is long.

● Electrical & Light Source

Supply	Hardwired to mains
Operating Voltage	220–240V AC, 50Hz
Light Source	Integrated LED
Colour Temperature	Warm white
Light Source Included	Yes – integrated, not replaceable
Dimmable	No

● Installation

Method	Surface-mounted to the wall, vertical
Wiring (Australia)	Brown – Active Blue – Neutral Green/Yellow – Earth
Installer	Must be installed by a licensed electrician in Australia
Position	Indoor, dry locations only
Suits	Studies, bedrooms, bedsides, hallways, small living spaces

● In the Box

Wall sconce x 1 · Mounting bracket · Fixing screw pack · Instruction sheet.
