Product Name	Open-Frame Pillar Light — Square Black Cube Post Light, Solar or Hardwired
Style	Modern minimalist
Power Supply	Solar powered — no mains wiring | Hardwired · AC 220–240V, 50Hz

A square open-frame pillar light in black stainless steel, with an acrylic diffuser that turns the warm 3000K LED glow soft and even.

Choose solar for posts with no power nearby, or hardwired for steady nightly light. Three sizes fit slim fence posts through to wide entry piers.

Rated IP54 for sheltered outdoor spots, it mounts on top of a post with screws and comes with a remote control for easy on and off.
