Product Name	Pillar Light — Traditional Pyramid-Roof Lantern
Style	Traditional lantern
Power Supply	Solar + hardwired dual-use, or hardwired · AC 220–240V, 50Hz

A classic black lantern for gate pillars and posts, with a pyramid roof, finial and clear paned glass in rust-resistant aluminium alloy.

Choose the dual-use version, which runs automatically on solar and can also be hardwired, or the hardwired version with an E27 bulb holder.

Rated IP65 for all-weather use. Mains connections are made at AC 220–240V by a licensed electrician; up to 12 hours of light in solar mode.

Basic Product Information

Product Code	AVD-PRPL
Product Type	Pillar Light
Power Supply	Solar dual-use / Hardwired
Product Colour	Black

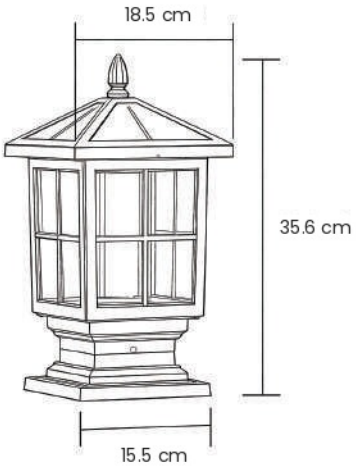

Product Details

Material	Aluminium alloy, glass

Core Specifications

Width	18.5 cm
