Product Name	Recessed LED Deck Lights — Mini Stainless Steel In-Ground Step Lights, Set of 16
Style	Modern, minimal
Power Supply	Hardwired · AC 220–240V, 50Hz

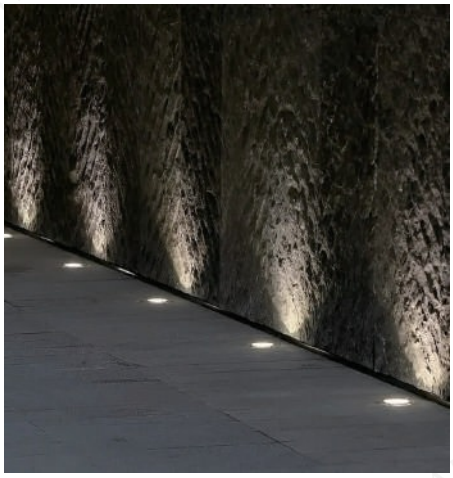

Sixteen mini recessed LED lights with a stainless steel body and PC lens, made to sit flush in decking, steps and paths so only a small point of light shows.

Each light draws 0.6W in warm white (3000K) or neutral white (4500K), and the included transformer supplies a safe 12V low-voltage output to the whole set.

Installation is simple: cut a hole, insert the fitting and connect the waterproof plugs, with the transformer connected to mains by a licensed electrician.

Basic Product Information

Product Code	AVD-RDKL
Product Type	In-Ground Deck Lights
Power Supply	Hardwired · AC 220–240V, 50Hz
Product Colour	Black

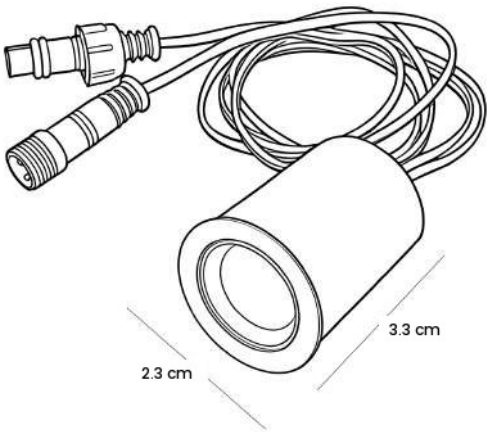

Product Details

Material	Stainless Steel

Core Specifications

Length	3.3 cm
Width	2.3 cm
Depth	2.3 cm

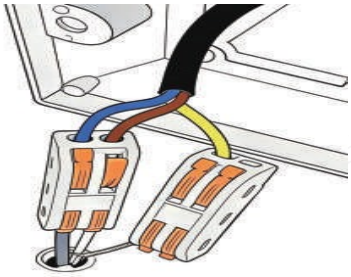

Voltage	AC 220–240V, 50Hz in · 12V out
Light Source Type	LED
Light Source Included	Yes
Colour Temperature	3000K or 4500K
Dimmable	No
CRI	Ra80
IP Rating	IP65

Wiring — licensed electrician required

Blue: Neutral

Brown: Active

Green/Yellow: Earth
