Product Name	Solar Garden Spotlight — Adjustable Aluminium Tree Uplight, Warm, Cool or RGB
Style	Modern
Power Supply	Solar powered — no mains wiring

A solar garden spotlight with an aluminium head and glass lens that uplights trees, shrubs and walls every night.

The head and panel tilt separately. A 3.3W panel and 4000mAh battery give up to 10 hours of light after about 5 hours of sun.

Choose warm white, cool white or RGB, on a ground stake or mounting base. Rated IP54, it switches on at dusk by itself.

Basic Product Information

Product Code	AVD-SGSP
Product Type	Solar Garden Spotlight
Power Supply	Solar
Product Colour	Black

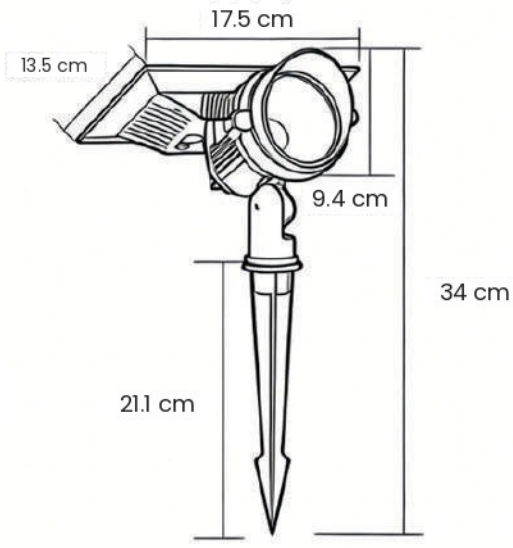

Product Details

Material	Aluminium body, glass lens

Core Specifications

Height	18.5 cm (base) / 34 cm (stake)
Width	17.5 cm
Depth	13.5 cm
