Product Name	Solar Path Lights — Leaf Pattern Garden Stake Lights
Style	Classic lantern, leaf cut-out
Power Supply	Solar powered — no mains wiring

Solar path lights with leaf-cut lantern heads that cast a lacy pattern of leaf shadows across paths, lawns and garden beds.

Weather-resistant ABS and PC housing rated IP65, with warm yellow 2000K and colourful RGB lighting modes.

A 2V solar panel charges in about 6 hours of sun for 8–10 hours of light, switching on automatically at dusk.

Basic Product Information
