AVENDAE

Product Name	Solar Pendant Light — Black Cone Outdoor Hanging Light with Remote Panel
Style	Modern industrial
Power Supply	Solar powered — no mains wiring

A classic black cone pendant with a white reflector and copper-tone lampholder, powered by a separate solar panel so it can hang under any covered outdoor roof.

The 5.5W panel charges a 6000mAh battery in about 6 hours for 12–13 hours of light. Tube bulb in warm or cool white, or a dual-colour round bulb.

Galvanised iron body, PC bulb cover and IP55 rating. A 5 m cable links the panel and light, with remote control on and off.

Basic Product Information

Product Code	AVD-SPCN
Product Type	Outdoor Hanging Lights
Power Supply	Solar Powered
Product Colour	Black

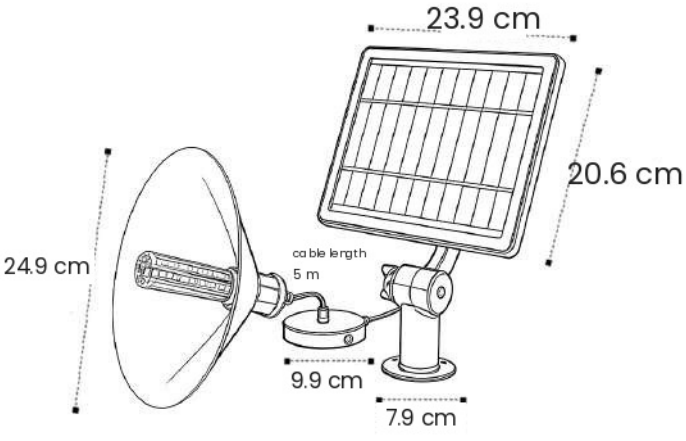

Product Details

Material	Galvanised iron

Core Specifications

Length	500 cm max. (incl. cable)
Width	24.9 cm
