Product Name	Solar Rope Lantern — Handwoven Rattan Outdoor Light, Warm White
Style	Retro
Power Supply	Solar powered — no mains wiring

A handwoven PE rattan lantern on a slim iron frame, with a relaxed, rustic look that suits decks, balconies, garden paths and outdoor dining tables.

The solar panel in the lid charges by day and the lantern switches on at dusk. A 180° swing handle makes it easy to carry or hang wherever you need it.

Its 3000K warm white glow filters softly through the weave. Rated IP65 for rain and dust, it can stay outdoors through every season.
