Product Name	Square Pillar Light — Black Stepped Post Cap Light, Double-Layer Shade
Style	Modern geometric
Power Supply	Hardwired · AC 220–240V, 50Hz

A square black pillar light with a stepped aluminium frame around a double-layer shade, in two sizes, open top or with a pyramid lid.

The built-in LED glows warm white (3000K) through the inner and outer PC shades for soft, even light without glare.

Rated IP65 for gate pillars, fence posts and garden edges. Hardwired by a licensed electrician and run from your wall switch.
