Product Name	Square Pillar Light — Minimalist Black Cube Post Light, Solar or Hardwired
Style	Modern, minimalist
Power Supply	Solar powered, or hardwired AC 220–240V, 50Hz

A minimalist black aluminium cube with a high-transparency acrylic shade, made for pillars, gate posts, decks and garden walls.

Choose solar, with a 4400mAh battery for around 10 hours of light, or hardwired 12W for steady, stronger light every night.

IP54 rated with CRI 90 light, remote or wall-switch control, and two sizes: 15 cm and 22.5 cm wide.
