

Product Name TimberGlow | Adjustable
Wooden Ceiling Spotlights

Style Scandinavian / Natural

Power Supply Hardwired

A surface-mounted spotlight bar in natural wood with ABS and iron internals, each head pivoting so the beam can be aimed at a bench, a splashback or a picture.

One to five heads on a single bar, in oak or walnut, for kitchens, hallways and living rooms.

Takes standard replaceable LED globes, so you choose the wattage and the colour temperature yourself.

Specifications & Quality Documentation

Dimensions, materials, electrical detail and installation requirements for this fixture.
