AVENDAE

Product Name	Up and Down Wall Light — Tapered Black LED Outdoor Sconce
Style	Modern
Power Supply	Hardwired · AC 220–240V, 50Hz

A tapered black wall light that sends a slim beam up the wall and a soft fan of light down, for a crisp layered effect on entries and garden walls.

The aluminium body has a textured silver-black coat that resists rust, with a built-in 6W LED in warm white (3000K) or cool white (6000K).

Suited to covered outdoor spots such as porches, eaves, balconies and courtyard entries, and installed by a licensed electrician.
