Product Name	Wall Clock Lamp — Silent Backlit LED Clock
Style	Modern, minimal
Power Supply	Battery / USB rechargeable

A silent square wall clock with a soft LED backlight, made to keep time by day and glow gently in a hallway or bedroom at night.

Painted iron frame with an acrylic light panel, in white, pink, blue or green, as a single-sided, corner or foldable clock.

Always-on or motion-sensing backlight (120° range). USB rechargeable, warm white 3000K. No mains wiring needed.
